

Tolland Community Woman will once again partner with Laura Ann Weeks with "From The Heart" to run a Hat and Mitten Drive. New or GENTLY used Hats, Mittens and Scarves will be collected from November 2nd thru December 18th at Birch Grove and Tolland Intermediate. Socks and slippers may be donated, but must be new. Collection boxes, by grade, will be in the lobby of Birch Grove and the office at TIS. The grade that collects the most items at each school will be rewarded with a pajama day. Donations are given to DCF for children in our area. Please contact Jennifer Shaw at 860-202-9056 with any questions.
