Business Sponsorship

Support public access television while getting your business the recognition it deserves!

When your business becomes a Community Voice Channel Sponsor, your information will be prominently displayed through television, email newsletters, and on our website. Airing as part of the community bulletin board on our 3 channels between scheduled programs, your business information will be seen by **tens of thousands** of Comcast and Frontier U-Verse households in Tolland County and streamed live on the Internet.

With 4 different sponsorship levels available to fit any budget, supporting CVC will let your current and future clients know that you support your local community and public access television.

Your tax deductible contribution will be put to good use by helping to fund the purchase of new equipment and other items to benefit our volunteers as they produce programs.

Turn this page over for the application, or contact us at 860-645-1454 or sponsors@cvct.org with any questions.

Thank you for your consideration in supporting Community Voice Channel!
