Re: Fertilizer application(s) at Tolland Schools

To Whom It May Concern:

This letter serves to inform all schools, staff, students and parents that Distinguished Lawns, LLC will be applying fall fertilizer to all Town fields. Fields located at Tolland High School and all other non-school Town fields will have Triplet Low Odor Premium Selective Herbicide applied on September 21, 2016. These fields will be closed for one day. Fields located at Birch Grove, Tolland Intermediate and Tolland Middle Schools will have Lebanon Proscape Fertilizer, an organic fertilizer, applied on September 27, 2016. With it being organic, fields will not have to be closed.

This notice is in compliance with Connecticut State Law concerning the application of fertilizer(s). For your convenience, Safety Data Sheets (SDS) are on file with the Town of Tolland Public Works Department and Town of Tolland Board of Education.

Thank you for your anticipated cooperation.

Best Regards,

Scott C. Lappen
Director of Public Works
