Since February 2018, Tolland Public Schools began to use PowerSchool's Unified Classroom. Unified Classroom provides a comprehensive look at student growth and achievement, while providing a single sign-on opportunity for parents with multiple students in the district.

While the mobile app has not changed (Unified Classroom access does not change your mobile app access) and can still be used, the computer-based version of Unified Classroom provides a more detailed view, and we recommend that parents use both tools to gain knowledge about their student.

For directions on how to set up your Unified Classroom account, if you haven't already, you may always visit the Tolland Public School's website or any of the school websites and click PowerSchool in the upper right-hand corner.

If you have already created your Unified Classroom account and can successfully log in at classroom.powerschool.com, you do not need to do anything further. If at any time you need to reset your password, you may do this yourself using the Forgot Password option on the sign in page.

New to Unified Classroom or PowerSchool

Snow Delays and Cancellations

Dear Parent or Guardian:

I want to take this opportunity to inform you of the District's procedures regarding school closings, delays, and early dismissals.

The decision to change school schedules is made after careful review of information collected from the local police, highway and school maintenance departments as well as a local weather service. Road conditions, sidewalk status, precipitation, temperatures and forecasts are considered when making a determination to delay or close schools. In some circumstances, a delay may be upgraded to a school closing. Information related to delayed openings and school closures is broadcasted on television and radio stations typically by 5:45 a.m. The safety of our children is the priority factor in all decision making.

BLACKBOARD CONNECT 5

The *Blackboard Connect 5* communication system is a telephone messaging service that the district uses which enables us to personally communicate with parents and staff regarding emergency situations, school closings and delays, school events and other important issues impacting you and your children. It is imperative that you keep a current emergency telephone number listed at your child's school building. In the event of an early dismissal or delay, a Blackboard message will be broadcast to all families by 5:45 a.m. During an emergency or weather related incident, calls will be made through the emergency mode to all student numbers in the Blackboard system.

DELAYED OPENINGS

- This year we will utilize a two (2) hour delay.
- There is no morning (am) Birch Grove preschool classes on delayed openings.
- Buses will arrive at stops approximately two (2) hours later than the usual time.

EARLY DISMISSAL

- An announcement will be made on the radio and television stations, generally prior to 11:00 a.m.
- The high school is released at approximately 10:45 a.m. Tolland Middle School is released at 11:45 am and Tolland Intermediate and Birch Grove Primary School are released at 12:45 pm. (Please note that unusual circumstances may dictate an earlier dismissal.
- There are no p.m. Birch Grove pre-school classes on early dismissal days.

In the event of school closings or early dismissals, all sporting events and student activities will be cancelled.

TRANSPORTATION REGULATIONS

Students in grades PreK-5 will be returned to school in the event an adult is not present at the bus stop to meet them unless you have signed the bus stop release form.

ALL STORM ANNOUNCEMENTS

Announcements will be made on the following TV Stations:

WTNH
WFSB
WVIT
WTIC

It is the parent/guardian's responsibility to monitor weather related delays, closings, and early dismissals and to cooperate with school personnel as we work to ensure student safety.

TOLLAND FAMILY RESOURCE CENTER'S INCLEMENT WEATHER PROCEDURES

If the Tolland Public School is closed due to inclement weather then the Tolland Family Resource Center is closed.

Weather delays and early closings

FRC School Age Care

The Before School Program will follow the School System for delays:

* 2 hour delay the FRC opens at 9:00 a.m. for children registered in the before school program for that day. (This is to allow enough time for the parking lot and sidewalks to be treated)

Early Dismissal

When there is an early dismissal due to inclement weather the FRC will close at 3:45 p.m. However, if Birch Grove and Tolland Intermediate School closes before 1:20 p.m. then FRC will close 2 hours after the end of school; example if Birch Grove/TIS close at 11:00 a.m. then FRC will close at 1:00 p.m.

Late fee pick up fees apply on early dismissals. Please call if you are delayed for any reason.

FRC Preschool

If Tolland Public Schools has a **delayed opening** due to weather, FRC morning preschool will open at 11:00 a.m. and will run until 12:00 p.m. Four Year Old FRC afternoon Preschool will start at 12:00 p.m.

If Tolland Schools has an **early dismissal**, the afternoon Four-Year-Old FRC Preschool will be cancelled.

FRC Preschool Enrichment

If Tolland Public Schools has a **delayed opening** due to weather, FRC Preschool Enrichment will open at 11:00 a.m. and will run until 1:30 p.m. If school **closes early** Preschool Enrichment will close at 12:00 P.M.

FRC Play groups are cancelled on delays or early closings.

Finally, I want to assure you, once again, that our primary concern in calling a school delay, early dismissal or closure is always the safety of our children. If parents feel conditions are unsafe, they should use their discretion and keep their children at home. Here's hoping for a warm and uneventful winter!

Sincerely,

Walter Willett, PhD
Superintendent of Schools

Other Information

Mrs. Zajac's Class-Grade 2

In science, we have been investigating with a variety of materials and testing their durability. The students were given a challenge to construct a physical model of a bridge to take them from a house, over a river, to a store. They were provided with a list of materials they could choose from and needed to create something that was durable. The students worked in pairs and problem solved together using many scientific terms! They also shared their bridges with the class. They explained why they chose the materials and why they used a certain bridge design structure. I hope you enjoy these wonderful photos!
