

TOLLAND COMMUNITY CONVERSATION

Blight

Thursday, November 12, 2015

7 - 9 p.m.

Fire Training Center

191 Merrow Road (Route 195)

The issue of blight has been raised by Tolland residents. Join us at a community meeting to share your thoughts on what is considered blight, the benefits and challenges of having a blight ordinance, and how a blight ordinance might be applied if the town adopted one.

The results of the meeting will help the recently-established Blight Committee examine this issue.

Questions? Please contact the Town Manager's office at 860-871-3600.
